

The Location

Located in a quiet green area outside the town (in Praticello , in the municipality of Gattatico) , the B&B "Il Portico" is located in a farmhouse completely restored by keeping the rural original Emilian countryside style, without missing, the the same time, all the comforts for a relaxing stay. The strategic location of the B&B allows in a few kilometers to reach Parma and Reggio Emilia , as well as the nearby natural areas of the "Po" and "Enza" rivers, and the Matildic or Parmesan hills. You are easily reach the nearby Parma and Reggio Emilia Exhibitions, also thanks to the nearby "Campegine - Terre di Canossa" A1 Motorway exit.

The Interiors

The residence, surrounded by vegetable, orchard and a garden, has been recently restructured: this operation made us protect the characteristic elements of the rural houses (exposed brick , wooden beams) and innovate all the technological systems, maximizing as much as possible the energy efficiency of the building. To minimize energy consumption , the entire structure using both internal and external LED lights with high efficiency and low power consumption, good thermal insulation, and makes use of a "photovoltaic system" and "solar thermal" plants in coverage.

The Rooms

The 3 rooms, recently built, are each decorated and furnished based on a particular theme, expressed by the name of the room. The areas vary from 20 square meters for "Ninfea" and "Glicine" rooms, to the 23 s.m. of the "Tulipano". All rooms, located on the first floor, in an exclusive and private area of the structure, have a large window overlooking the garden, air conditioning / heating, and are furnished with a double bed, bedside tables, desk , sofa/bed added, chairs, LCD TV 32" and safe. The bathroom in each room has a window with a hairdryer and a hydromassage shower and toiletries. It's also available free WiFi in all rooms and a large car park reserved for our guests.

The Breakfast

In the breakfast room (of about 50 s.m.), in your reserved table, you can choose between tea, coffee, milk, cappuccino, yogurt, bread and biscuits, jam and honey, fruit juice, butter, croissants, cereals, fruit salad... and even homemade cakes! In summer you can have breakfast in the shade of the covered porch.
